

Request for Expressions of Interest

Source Protection Committee Chair

In anticipation of the proclamation of Bill 43, the Clean Water Act 2006, and the making of regulations providing for the establishment of Source Protection Committees, Saugeen Conservation (the proposed Lead Authority of the Source Protection partnership of Saugeen Conservation, Grey Sauble Conservation, and the Municipality of Northern Bruce Peninsula) is compiling a list of persons who would be interested in serving as chair of a local Source Protection Committee should the Act and anticipated regulations come into force. As such, Saugeen Conservation is seeking **Expressions of Interest** from individuals interested in filling the position of Chair of the Source Protection Committee.

The Act requires that the Ontario Minister of the Environment appoint a Chair for the Source Protection Committee after considering recommendations from the local Source Protection Authorities. The lead Source Protection Authority will be providing a short list of qualified individuals to the Minister.

More information can be found on our web site at www.waterprotection.ca Click on "Chair, Expressions of Interest".

An Expression of Interest, accompanied by a resume outlining relevant experience and familiarity with water management issues, as well as any additional supporting information, labelled "Confidential" must be submitted in writing by **Monday June 18, 2007, 4:00 pm** to:
